

◆ Machining centres and milling machines

MAZAK VARIAXIS 730-5X-11 Machining Centre

730 x 850 x 560 mm (axis traverse)
Tool storage capacity: 30
Automatic tool changer and automatic extractor of shavings

MAZAK VARIAXIS 630 5X II Machining Centre

630 x 500 x 500 mm (axis traverse)
Tool storage capacity: 40
Automatic tool changer and automatic extractor of shavings

MAZAK FJV 60 / 80 Machining Centre

2,000 x 1,480 x 640 mm (axis traverse)
Tool storage capacity: 40
Automatic tool changer and automatic extractor of shavings

MAZAK FJV 35 / 80 Machining Centre

2,000 x 800 x 800 mm (axis traverse)
Tool storage capacity: 40
Automatic tool changer and automatic extractor of shavings

MAZAK FJV 25 Machining Centre

1,380 x 750 x 600 mm (axis traverse)
Tool storage capacity: 40
Automatic tool changer and automatic extractor of shavings

BILLIONWAY BJ810 Machining Centre

810 x 510 x 510 mm (axis traverse)
Tool storage capacity: 30

CORREA A30 Milling Machine

3,000 x 1,200 x 1,500 mm
Numerical Control (CNC) bed milling machine, broaching with AC motor
VFD, selection of movement performed via CNC

LAGUN FBF 160 Milling Machine

1,450 x 850 x 750 mm
Numerical Control milling machine

LAGUN III CNC Milling Machine

Numerical Control Milling Machine, 5KW power
Fixed head, travelling column with moving table

◆ EDM

ONA PED4 60
1,500 x 800 x 700 mm
Bridge CNC EDM machining

ONA SN-520
800 x 500 x 500
CNC EDM machining

ONA B-360
800 x 500 x 500
CNC EDM machining

ROBOFIL 510 Charmilles Technologies
Wire EDM

◆ Drilling machines

IXION TL 1004
Deep hole Drilling Machine, refrigerant pressure control RIGID TAPPING,
1675 x 800 x 700-mm rotary table

◆ Adjustment

Dicor PB100 Press
1,500 x 1,100 x 1,500 mm
200 tonnes

◆ Welding

ROFIN TOOL OPE II Portable Laser Welding System

ALPHALASER ALM 200 Portable Laser Welding System

MMA, TIG DC and TIG AC. Gala Electronic 221 ACDC (GALAGAR)
Portable Laser Welding System

◆ Other equipment

GH 6.3 Overhead Crane of 6,3 and 12,5 tonnes
GH Overhead Crane of 6,3 and 12,5 tonnes
JASO Overhead Crane 3,2 tonnes
Other auxiliary equipment and machinery including lathes, manual drilling machines, grinding machines and saws of various types.
